2026 Fall Semester

Graduate School Freshmen Campus Life Guide

Academic Affairs · Course Registration · Thesis · Scholarships · Contact Information

A comprehensive guide to graduate school life, all in one place.

인천대학교
INCHEON NATIONAL UNIVERSITY

Incheon National University
Graduate School
2026 Fall Semester
New Graduate Students
2026. 8.

WELCOME

Welcome!

**A guide for those beginning
a new chapter of graduate school life.**

5 Things to Know from This Guide

1. Academic Regulations by Degree Program — Program Duration, Required Credits, Attendance, and Leave of Absence
2. Course Registration Schedule and Credit Requirements — Be Sure to Check Before the Semester Begins
3. Step-by-Step Timeline for Thesis Completion — Key Tasks for Each Stage
4. Scholarships and Important Notices — Key Programs You Don't Want to Miss
5. Graduate School Innovation Division & Department Office Contact Information — Where to Go When You Need Help

Table of Contents

01 Key Academic Information	02 Course Registration (Web)	03 Key Information by Stage of Each Degree Program
04 Thesis Submission Qualification Examination (Foreign Language · Comprehensive Examinations)	05 Thesis Submission · Evaluation Degree Award Requirements	06 Scholarship Programs
07 Announcements	08 Graduate School Innovation Division & Department Contacts	

01

Key Academic Information

Basic Regulations for Students

Topics Covered in This Section

- Program Duration · Maximum Enrollment Period
- Required Credits · Attendance
- Types of Registration
- Types of Leave of Absence

Program Duration · Maximum Enrollment Period

Program Duration

Bachelor's · Master's Integrated Program 1.5yr.	Master's Program 2yr.	Doctoral Program 2yr.	Master's · Doctoral Integrated Program 4yr.
--	--	--	--

Maximum Period of Enrollment

Maximum from the Date of Admission

10yr.

Graduate students must submit their thesis within the maximum period of enrollment.

However, if a student who meets the requirements for thesis submission is unable to submit the thesis by the submission deadline, they may complete a Thesis Submission Approval Request Form and submit it after obtaining approval from the Dean of the Graduate School.

Minimum Credits Required for Program Completion Master's (Bachelor's · Master's Integrated Program): 24 credits Doctoral: 36 credits Master's–Doctoral Integrated: 60 credits	Credits per Semester Recommended Major Credits: 9 / Maximum: 12 Credits Prerequisite Courses: No more than 6 credits may be taken	Attendance Requirements Students must attend at least two-thirds of the class sessions each semester to receive credit.	Valid Grades 70 points (Grade C) or higher Overall GPA of B or higher for all completed courses
---	---	---	--

Types of Registration — Regular · Research · Credit

Registration types vary depending on the degree program you are pursuing. Be sure to check your registration type immediately after admission.

REGULAR Regular Registration	Registration for Earning Regular Credits Bachelor’s–Master’s Integrated Program: 3 semesters Master’s · Doctoral Programs: 4 semesters Master’s–Doctoral Integrated Program: 8 semesters (Doctoral tuition applies from the 4th semester.)
RESEARCH Research Registration 15% of the Tuition Fee	Registration after completing the required coursework for the submission of a thesis. Only 15% of the tuition fee for the current semester is required, and this registration is limited to once per degree program.
CREDIT Credit Registration After completing the required semesters For insufficient remaining credits	Students with insufficient credits after completing regular registration 1 to 3 credits 4 or more credits 50% of the Tuition Fee Payment Full Tuition Fee Payment

Types of Leave of Absence and Application

A leave of absence may be taken when it is necessary to temporarily suspend academic studies.

It may not exceed **two consecutive semesters** or **five semesters** in total.

If a student is unable to attend at least one-third of the scheduled classes, they must submit a Leave of Absence Application **within the first 30 days** of the semester.

General General Leave of Absence

If, after registration, a student is unable to attend **at least one-third of the scheduled classes** due to unavoidable circumstances.

Application Period

Within 30 days of the start of the semester
· Submit the Leave of Absence Application

Military Military Leave of Absence

Not included in the total semester limit

Required Documents

Submit the Leave of Absence Application at least 10 days before enlistment.

Childbirth Pregnancy · Childbirth · Childcare

Not included in the total semester limit

Required Documents

Submit the Leave of Absence Application at least 10 days before the scheduled leave date.

TIP

A leave of absence is permitted for up to **two consecutive semesters** or **five semesters** in total. Military leave and leave for pregnancy, childbirth, or childcare are excluded from these limits, so choose the type that best suits your circumstances.

02

CHAPTER 02 / 08

Course Registration (Web)

Calculate Your Credits Before the Semester Begins

Topics Covered in This Section

- Course Registration · Add/Drop Period
- Completion Credits by Program

Course Registration & Add/Drop Period

Apply via [Graduate School Website](#) → [Notices](#) → 「Incheon National University Graduate School Course Registration」

Mark the course registration dates on your calendar before the semester begins.

Course Registration

STEP 1

8. 20(Thu.) – **8. 26**(Wed.)

Follow your department's course guidance when registering for courses.

Course Registration Confirmation & Changes

STEP 2

9. 1(Tue.) – **9. 4**(Fri.)

Check your recognized credits and previously completed courses carefully to avoid **taking duplicate credits that could delay program completion or graduation.**

Prerequisite students must complete prerequisite courses separately from the required completion credits.

Important

Students who do not complete the required prerequisite credits **cannot complete the program or graduate.**

Prerequisite credits already earned cannot be reclassified as credits for the degree program.

***Prerequisite students:** Graduates of a different major or a professional/specialized graduate school who submitted the **Academic Ability Confirmation Form** for the **Applied Department and Credit Recognition Form** with their application.

Credits per Semester & Completion Credits

Credit limits per semester and total credits required for graduation vary by degree program. Be sure to check the recommended, maximum, and required completion credits for your program.

Degree Program	Major Courses		Prerequisite Courses		
	Credits per Semester	Completion Credits	Maximum Recognized Credits	Credits per Semester	Required Completion Credits
Bachelor's ·Master's Integrated Program	Up to 9 credits (Recommended) Up to 12 credits (Maximum)	24 credits or more	N/A	N/A	N/A
Master's Program	Up to 9 credits (Recommended) Up to 12 credits (Maximum)	24 credits or more	Up to 12 credits	Up to 6 credits	12 credits
Master's ·Doctoral Integrated Program	Up to 9 credits (Recommended) Up to 12 credits (Maximum)	60 credits or more			
Doctoral Program	Up to 9 credits (Recommended) Up to 12 credits (Maximum)	36 credits or more	Up to 15 credits	Up to 6 credits	24 credits

Point 1
The recommended course load is 9 credits, which helps maintain steady progress without extending your enrollment period.

Point 2
Prerequisite credit recognition varies by program. Prerequisite students should consult their department for guidance.

Point 3
Attend at least two-thirds of classes each semester — failure to meet this requirement results in no credit earned.

03

Stage of Each Degree Program Key Information

Master's / Master's · Doctoral Integrated / Doctoral

Topics Covered in This Section

- Doctoral Program
- Master's · Doctoral Integrated Program

Master's Program: Schedule at a Glance by Term

Completion Credits

24credits

Recommended Credits per Semester

9credits

Maximum Prerequisite Credits Recognized Upon Admission

12credits

Term	Major	Prerequisite	Key Checklist
1	9 credits	6 credits	◦ Check whether you are required to take prerequisite courses ◦ Check Graduation Credits and Register for Courses ◦ Apply for Academic Advisor Assignment · Take the Foreign Language Exam
2	9 credits	6 credits	◦ Check Graduation Credits and Register for Courses ◦ Prerequisite Students: Check Prerequisite Credits and Register for Prerequisite Courses
3	6 credits	—	◦ Check Graduation Credits and Register for Courses ◦ Check Foreign Language Exam Pass + Major 18 Credits with Grade Point Average of 3.0 or Higher, Then Take Comprehensive Exam (If Foreign Language Exam and Grade Point Average Requirements are met) ◦ Submit Research Proposal and Presentation Evaluation Form Both must be submitted together (if the presentation evaluation form is not submitted after the research proposal, both must be resubmitted in the following semester)
4	—	—	◦ If the thesis title changes among students subject to thesis evaluation → Submit the application for approval of the thesis title change ◦ Submit the application for thesis submission and the thesis evaluation application
5	—	—	◦ Students who have completed the coursework must register for research once before submitting their thesis

⚡ Master's key point: The presentation evaluation form for the 3rd term is a qualification requirement for thesis submission in the following semester. Complete it in the 3rd term to avoid restrictions in the 4th term.

Doctoral Program: Schedule at a Glance by Term

Completion Credits 36credits			Recommended Credits per Semester 9credits	Maximum Prerequisite Credits Recognized Upon Admission 15credits
Term	Major	Prerequisite	Key Checklist	
1	9 credits	6 credits	◦ Check Prerequisite Status + Check Graduation Credits and Register for Courses ◦ Apply for Academic Advisor Assignment · Take the Foreign Language Exam	
2	9 credits	6 credits	◦ Check graduation credits and register for courses ◦ Prerequisite students: Check prerequisite credits and register for prerequisite courses	
3	9 credits	6 credits	◦ Check graduation credits and register for courses ◦ Prerequisite students: Check prerequisite credits and register for prerequisite courses ◦ Submit the research proposal and presentation evaluation form— Both must be submitted together (if the presentation evaluation form is not submitted after the research proposal, both must be resubmitted in the following semester)	
4	9 credits	6 credits	◦ Check graduation credits and register for courses ◦ Prerequisite students: Check prerequisite credits and register for prerequisite courses ◦ Check Foreign Language Exam Pass + Major 27 Credits with Grade Point Average of 3.0 or Higher, Then Take Comprehensive Exam (If Foreign Language Exam and Grade Point Average Requirements are met) ◦ If the thesis title changes, submit the application for approval of the thesis title change ◦ Submit the application for thesis submission and the thesis evaluation application	
5	—	—	◦ Students who have completed the coursework must register for research once before submitting their thesis	

⚡ Doctoral key point: Complete the required credits by the 4th term and prepare for the comprehensive exam and thesis-related procedures. After completing the coursework, register for research once before submitting the thesis.

Master's · Doctoral integrated program: Schedule at a Glance by Term

Completion Credits

60credits

Recommended Credits
per Semester

9credits

Maximum Prerequisite Credits
Recognized Upon Admission

12credits

Term	Major	Prerequisite	Key Checklist
1	9 credits	6 credits	Master's program tuition payment ◦ Check prerequisite status + check graduation credits and register for courses ◦ Apply for academic advisor assignment · take the foreign language exam
2	9 credits	6 credits	Master's program tuition payment ◦ Check graduation credits and register for courses ◦ Prerequisite students: check prerequisite credits and register for prerequisite courses
3	9 credits	—	Master's program tuition payment ◦ Check graduation credits and register for courses ◦ For degree changes, submit the degree change application within the designated period
4	9 credits	—	Doctoral program tuition payment / Check graduation credits and register for courses
5	9 credits	—	Doctoral program tuition payment / Check graduation credits and register for courses
6	9 credits	—	Doctoral program tuition payment / Check graduation credits and register for courses

Master's · Doctoral integrated program: Schedule at a Glance by Term

Completion Credits

60credits

Recommended Credits
per Semester

9credits

Maximum Prerequisite Credits
Recognized Upon Admission

12credits

Term	Major	Prerequisite	Key Checklist
7	6 credits	—	Doctoral program tuition payment ◦ Check graduation credits and register for courses ◦ Check Foreign Language Exam Pass + Major 51 Credits with Grade Point Average of 3.0 or Higher, Then Take Comprehensive Exam (If Foreign Language Exam and Grade Point Average Requirements are met) ◦ Submit the research proposal and presentation evaluation form Both must be submitted together (if the presentation evaluation form is not submitted after the research proposal, both must be resubmitted in the following semester)
8	—	—	Doctoral program tuition payment ◦ Submit the application for thesis submission and the thesis evaluation application ◦ If the thesis title changes, submit the application for approval of the thesis title change
9	—	—	◦ Students who have completed the coursework must register for research once before submitting their thesis

⚡ Master's · Doctoral integrated key point: The required completion credits are 2.5 times higher than those for the master's program, and the thesis evaluation is conducted at the doctoral level. A master's degree is not awarded; only a doctoral degree is awarded.

04

CHAPTER 04 / 08

Thesis submission qualification exam

Foreign language exam · comprehensive exam

Topics Covered in This Section

- Foreign language exam schedule and eligibility
- Comprehensive exam eligibility and passing criteria

Foreign language exam information

Number of exam attempts during the semester

2026-2 semester administration

Application semester

Available from

the 1st term

Passing criteria

Master's and bachelor's · master's integrated:
60 points or higher out of 100 is a passing score.

Doctoral and master's–doctoral integrated:
70 points or higher out of 100 is a passing score.

Retake available if failed

Exam administration

- Exam registration:

2026.9.1.(Tue) 09:00~9.3.(Thu) 16:00

- Exam date:

2026.9.15.(Tue)

- Passing recognition:

2026.9.1.(Tue) 09:00~9.15.(Tue) 16:00

Completion of an online foreign language
course designated by the graduate school, etc.

Exam subjects

Domestic

Choose one from English, German, French, Japanese, or Chinese

Passing recognition available:

Completion of an online foreign language course or a score report obtained within two years of the foreign language exam, etc.

International

Cannot choose native language; Korean is available as a choice.

⚡ Please check the graduate school website notices at the beginning of each semester for the passing criteria and submission methods for each certified foreign language test.

comprehensive exam information

Comprehensive exam overview

The comprehensive exam evaluates specialized knowledge in the major field. Upon passing, students become eligible for thesis evaluation.
Exam subjects: Choose 2 courses from the completed courses in each program.
Passing criteria: **70 points or higher** out of 100 for each subject (retake available only for failed subjects)

Eligibility — all requirements must be met

①
Passed
the foreign language exam

②
Bachelor’s · master’s integrated, master’s: 18 credits or more
Doctoral: 27 credits or more
Master’s · doctoral integrated: 51 credits or more

③
Those who have earned
an average grade of B or higher

Schedule

Held twice a year (once per semester)
At the beginning of each semester (March–April, September–October), check the graduate school website notices for the exam date, application period, and passing announcement schedule.

SECTION

05

CHAPTER 05 / 08

Thesis submission and evaluation

Topics Covered in This Section

- Thesis review schedule and eligibility
- Evaluation process and passing procedures

Thesis submission · evaluation process

01

Thesis advisor assignment

Regardless of the program, apply for assignment in the 1st semester

02

Research proposal submission

Bachelor's · master's integrated:
2nd term
master's and doctoral:
3rd term
master's · doctoral integrated:
7th term

Presentation Evaluation Form must be submitted in the same semester as the research proposal

03

Preliminary and final thesis evaluation

Master's (bachelor's · master's integrated): Pass if at least 2 of the 3 examiners give a score of 80 or higher

Doctoral (master's · doctoral integrated): Pass if at least 4 of the 5 examiners give a score of 80 or higher

04

Final thesis submission

Number of copies: 3
(including the examiners' approval page)

⚡ **Key check:** Certificate of expected degree conferral can be issued after passing the final thesis evaluation

Thesis submission · evaluation process

Degree conferral eligibility

Degree program	Credits earned		Average grade	Number of registrations	Degree conferral requirements
	Major	Prerequisite courses			
Bachelor's · master's integrated program	24 credits or more	-	B or higher	3 semesters or more	Passed the thesis submission qualification exams (foreign language and comprehensive exams) Thesis research supervision for 2 semesters or more
Master's program	24 credits or more	12 credits or more	B or higher	4 semesters or more	
Doctoral program	36 credits or more	24 credits or more	B or higher	4 semesters or more	
Master's · doctoral integrated program	60 credits or more	12 credits or more	B or higher	8 semesters or more	Passed the preliminary thesis evaluation, final thesis evaluation, and final oral examination.

06

CHAPTER 06 / 08

Scholarship system

Don't miss the opportunity to reduce your tuition burden.

Topics Covered in This Section

- Scholarship types — full tuition scholarship, GA scholarship, research scholarship

TYPE 1 Full tuition scholarship (For students admitted from the 2026 academic year onward)

Eligibility criteria for application

✎ Eligibility requirements for new students

- Master's : Overall undergraduate grade point average of 3.0 or higher
- Bachelor's · master's integrated :
Overall undergraduate grade point average of 3.3 or higher
- Doctoral (master's · doctoral integrated) :
Overall master's grade point average of 3.5 or higher

✎ Mandatory requirements

- Eligible from the 1st semester and throughout the period of enrollment
- Full-time students who maintain a grade point average of 3.5 or higher each semester (currently enrolled students)
- No limit on the number of new students that each academic advisor may recommend

✎ Activity requirements

Assistance with educational and research activities for up to **20 hours per week**

Documents to be submitted during the semester

- At the beginning of each semester: Submit the Educational and Research Activities Plan
- At the end of each semester: Submit the Educational and Research Activities Report

✳ **Obligation: Submit research outputs by the deadline for submitting the Preliminary Thesis Evaluation Results Report**

→ For detailed information on research outputs, please refer to Website → Academic Information
→ Scholarship System → Graduate School Scholarship Eligibility Criteria

✳ Submit research outputs by the deadline for submitting the Preliminary Thesis Evaluation Results Report. Students who lose eligibility while enrolled will be subject to scholarship recovery in accordance with the recovery criteria.

Scholarship amount

TUITION

Full

tuition waiver

Mandatory enrollment semester requirement applies

Scholarship cancellation and tuition payment notice for failure to submit the report

TYPE 2 Special Scholarship (Tuition Waiver)

Eligibility criteria for application

Eligibility requirements

- The first semester (Freshman)
 - ☞ International students can receive Special Scholarship if they meet the following criteria.
 - M.S.: Undergraduate CGPA of 3.0 or higher out of 4.5 scale
 - Ph.D.: Master's program CGPA of 3.0 or higher out of 4.5 scale
 - ☞ International students enrolled in M.S. or Ph.D. program
- Students admitted from 2020 onward
 - ☞ **85%** GPA of 3.75 or higher out of 4.5 scale
 - ☞ **60%** GPA of 3.5 to less than 3.75 out of 4.5 scale
 - ☞ **50%** GPA of 3.0 to less than 3.5 out of 4.5 scale
- ☞ **Activity requirements**
 - Assistance with educational and research activities for up to **20 hours per week**
 - Documents to be submitted during the semester
 - At the beginning of each semester: Submit the Educational and Research Activities Plan
 - At the end of each semester: Submit the Educational and Research Activities Report

Scholarship amount

REGISTRATION

85%~50%

of the tuition fee

Mandatory enrollment semester requirement applies

Scholarship cancellation and tuition payment notice for failure to submit the report

TYPE 3 Research Scholarship (Research Performance Evaluation)

▶ Natural Sciences · Engineering (based on JCR-indexed academic papers)

Application Criteria

— Requirements for Outstanding Research Publications

- Outstanding paper in the top 5% of JCR rankings
- Outstanding paper in the top 10% of JCR rankings
- Outstanding paper in the top 25% of JCR rankings

Scholarship Amount

Top 5% or higher

300,000₩

Top 10% or higher

200,000₩

Top 25% or higher

100,000₩

▶ Humanities · Social Sciences · Arts · Physical Education (based on JCR-indexed academic papers)

Application Criteria

— Requirements for Outstanding Research Publications

- Outstanding paper in the top 5% of JCR rankings
- Outstanding paper in the top 10% of JCR rankings
- Outstanding paper in the top 25% of JCR rankings

Scholarship Amount

Top 5% or higher

400,000₩

Top 10% or higher

300,000₩

Top 25% or higher

200,000₩

Selection Criteria

- Must be enrolled in the current semester and be **the first or corresponding author of the published paper**
- **The student's affiliation with Incheon National University must be explicitly stated** in the published paper (current address is not accepted)
- For the Bachelor's–Master's Integrated Program, research performance **is recognized from the 1st semester of the master's program**
- JCR rankings are determined based on the Journal Impact Factor (JIF) from the most recent JCR year
- If the journal is classified in multiple subject categories, the highest percentile ranking applies
